D. Operation Manager’s Report – Report

E. Amenity Manager

1. Report

Mr. Soriano reviewed the upcoming maintenance projects and reported that the price came in higher at \$5,500 for bushhogging the powerline fence line and once that is done we will pressure wash the fence.

After discussion of going back to the contractor with a not to exceed amount and having staff bring to the next meeting proposals for pressure washing not only the fence along the powerline but also along the walkways, the board took the following action.

On MOTION by Mr. Wetherbee seconded by Mr. Edson with all in favor staff was authorized to have the area by the power line mowed in an amount not to exceed \$4,800 and authorized Staff to work with Supervisor Wetherbee.

Ms. Alba asked can we get a waiver from the homeowners before we pressure wash the fences?

Mr. Alba stated I will bring this to the HOA board because they should be cleaning fences along the sidewalk. The only problem with the powerline portion is the homeowners have no way to access the area.

Mr. Soriano stated if we do pressure wash the fences on the walkways, we will contact the homeowners and send an email to notify them.

If the electrician can’t get the bollard lights approved by the county on the county right of way side then we will have to place the lights on the inside on our property.

Mr. Wetherbee stated I think we should push to have the county to put in streetlights in that area.

Mr. Alba gave an overview of the amenity center report, reported damage to the entrance sign and gave an overview of upcoming special events.
